“ I'm setting here trying to find the right words with tears brimming in my eyes. I don't think she ever knew how much she meant to me. She was an extraordinary and artistic individual. I worked with Carolyn in the earlier 60's at Styles bt Judi's when they were in their original shop on lower Broadway. We enjoyed a life within the working walls as well as outside of them. I remember taking our children to the movies when they were just toddlers, now my toddler is 60 years old!. We enjoyed going to Beauty seminars where ever they were held and just enjoyed each others company whatever the occasion. She was a lover of life, and a creator of style and beauty. When deciding on opening my own shop of Salon La Coiffures , she came with me as an employee, working as hard as I to build our own clientele. After closing and moving away we have remained friends all through the years, I continued visiting her each time I was back in town when ever I could. I will remember our friendship with fondness and love. May you Rest in Loving Peace Carolyn.

“ Carolyn and I went through Kindergarten all the way through the graduating class of 1960. I remember several of us getting together and practice dancing. The big Rock and Roll 😊 she was a great art student. Even though we didn't see each other lately she will be missed. I am sure all of the class of 1960 will join me and say a prayer for her. 🙏

“ I started working with Carolyn as a young stylist renting a booth for the first time. She was an amazing teacher, confidant and friend. We worked together at Hair Biz for many years and remained friends after. I will always remember her for her kind spirit, love of our profession, and ability to teach others. She was dedicated to our craft and had a love for line dancing, her cats and hats! Thank you Carolyn for all you taught me and the friendship! My thoughts and prayers are with her family.

“ Carolyn started "fixing my hair" when I was a junior in high school. She was there for me thru parties, the senior prom, special events, weddings, and just everyday life. She still cut my hair even after moving to her cottage home. We used to say she was the oldest beautician in town, and I was probably one of her oldest continuous clients. May I extend my deepest sympathies to Carolyn's daughter, brother, and other family members.
