“ I'm shocked and saddened to hear of Tana's passing. She made me smile every time I was with her, and my life feels emptier now to know that I won't get to cook, eat, drink, or watch football with her. John, my deep, deep sympathies. I know she will be terribly missed by you and all her family. My thoughts are with all of you.

“ I enjoyed working with Tana for many years at Girardot Center for Youth and Families. She was a Special Ed Teacher and enjoyed working with the boys, helping to bring out the best in them regarding their education and feeling of self-worth. She was a very caring and generous person. During the twenty-something years she spent teaching at the center, she contributed a great deal to the lives of many, many young men.
