“ Deanna (Cathy & Ronnie), I was looking through a picture album my mother, Nell Hobbs, put together and saw a picture of us on the back steps of the house on Sprigg St. I put your name in Google and came up with your mother's obituary. Wow, she lived to 99 years, what a blessing! My mother has been gone 30 years, but that picture of us brought back all the fun times we had playing together. It's never easy to lose your Mother; I know she was such a positive influence in all of your lives. Email me: [hildalhobbs@sbcglobal.net](mailto:hildalhobbs@sbcglobal.net) so we can catch up from the past 50 years.

“ The pain of losing someone as special as a mother is something that we will never get use to because God's word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!
