“ Dear Jeannie Owens & Vicki Rhymer: We didn't know your brother, but want you to know our most sincere condolences are with you at this time in your life; we are definitely all getting older & never know for certain when the trumpet sound will be for us. We pray God's presence with you during the upcoming days as so many this year due to the Covid-19 virus will find them having one less place at the table and in some cases, more than one. Larry & I have certainly had our medical issues since having had contact with you but we are still stepping, just not quite as high as we once did. We will keep you in our thoughts & prayers for many days to come. God bless & keep you.....

Sincerely, Larry & Harryette Miller Burnette

He was a person you never forgot. He was the kind of person we should all inspire to be. He will be greatly missed.

“ Well little brother, You leaving left a big hole in our hearts. You have helped so many people in your lifetime. You sure didn't get to enjoy your retirement very much. Maybe the good Lord has some things that need fixing,. You are the man to do it. Have a safe journey. Tell mom and dad that the rest of us will be coming along soon . Then the circle will began again. Your Brother Bob.

I've known Dillon for many years. First met him when he was working on some equipment at a restaurant I worked at. He was one of the nicest, kindest men I have ever known. Always had a smile and a joke at hand. If you were in a foul mood it wouldn't take long for Dillon to change that, and have you laughing about something. Always willing to help anyone. A true gentleman. You will be missed! Rest In Peace, Dillon!
