“ Charles has been in my life since I was a child. I remember he would stop by my families business to drop off a paper and always brought a treat along. Years later even as an adult he would come into my place of work and brought treats for me and my co-workers. Every time he walked through the doors it's like everything was better for a moment. His smile and voice would bring such a warmth to our world. He is an unforgettable soul and his presence in our life will be so greatly missed! God bless all of his family and friends that are grieving such a loss. He will rest forever in our hearts and never forgotten!

“ To Charles Dale (Slim's) family: I just saw this on my email & shared it with my husband Larry; we are so very sorry for your loss at this time. What a privilege it was for those of us who worked at the "Burnette's" Meat Market on 99 S. Park St. Mr Burnette & Slim used to have some real conversations & if Shelby Baker happened to come in the store things would really pick up. What a wonderful group of families we had as customers & your family was among those. We are saddened by your loss but God gives grace for each new trial we have to walk through & He will do the same in this situation with you.

Our love & prayers for you during this loss and in the days to come.

Sincerely, The Hank & Larry Burnette families
