“ Oh man billy was someone I had the privilege of meeting and getting to know through out the years...i loved billy and his crew over at billies place...im gonna miss him ever so...one of my favorite memorys of Billie was him always being full of it .lol..and sitting in his chair up front of the store with his bottle of kesslers...to me Billie was certainly someone that when I was having a bad day I could go to Billies place and he would always ,even tho not knowing I was in a crisis would brighten my day with his deals or story's or just random human conversation....sorry to see you leave us all,but ur eternal reward awaited you and I know your sitting in a ole chair nipping on that flask,shaking your head at us all down here... 🙌 billie..

“ Bill was almost always a part of my family. He was the one we went to to find a part no one else had. He always let up pick his blackberries and probably the most fun I have had was when bill got his golf cart stuck out by his pond then when he pulled it out he pulled a little to far and it went into his pond. So me and dad went fishing for his golf cart. He was always willing to help out and always up for telling stories. Going to miss you. Bill.

“ Growing up, we always bought our furniture from Billie's Place. I can remember my dad telling me when I was little that we went there because him and Bill were close and because he could bring him a 6 pk of Stag and get some wiggle room on the price lol. After growing up, I also filled my first home with furniture from Billie's place. Of course, I tried the ole Stag trick too, but it didn't work for me. My heart goes out to his family and all his friends. Mr Bill will be missed by probably more people than he realized.

“ Our heart goes out to my family, aunt Billie, cousin Donna and Joe, cousin Danny and Donna. Uncle Bill was one of a kind and one of my favorite uncles. I always enjoyed visiting with him when I could. I remember him telling stories about living in Seguin Texas when he was in the service I think in the early 60's a place very familiar to me. I have a lot of fond memories of visiting Oak Ridge when I was a kid riding in the back seat of Grandpa Mcanless's station Wagon and hearing mom hollering at him to slow down-lol I look forward to visiting the family.
