“ Chris, Tammy and I always thought very highly of your parents. They were always supportive and just fun to be around. We will keep them and your family in our prayers.

“ I worked with Charles at Capital Bank. I found him to be a warm funny man. He could be an imposing figure with his strong upright gait but he and I got along very well. He told me once the only person besides me that stood up to him was his wife. Good memories of a good man. Peace to you and your family.

“ Dear Chris, I was sorry to read of your Father's death and also of your Mother's passing. My dear friends who live in Batesville had met your parents at The Grove when we were there for a football game and thought they were so nice. I am sometimes in Mississippi for visits but rarely in Cape. Please accept my sincere sympathy.
