“ Dear family members, ♦♦ When I was in elementary school at Jefferson School I had the great pleasure of personally knowing your brother. ♦ I guess I was a little mother even then and the teacher always sat me beside him so I could give him a little help if he needed it. ♦ As life has gone on I realize how much I got out of that experience. ♦ He was always so sweet and agreeable. ♦ I learned from him how fortunate I was to be a healthy kid. ♦ We also had two polio victims in that class and we learned to always include them in all our activities. ♦ I hope that life was good to him and I thank you all for all you have done to make that happen. I have shed some tears but I know that God has welcomed that sweet face with open arms. Peace be with each of you, Marida Nothdurft Stearns
