“ Dear Nancy, I was sorry to see that Charlie had died and I sympathize with your loss. Charlie and I were best of buddies in the early years of our lives. All the way through high school, working together at Roziers, and his being in Leola and my wedding. I cherish seeing you and Charlie at the last PHS reunion. I often think of times that Charlie and I spent together and pray that memories of your times together will comfort you and your family.
