“ *Judy and family.
My deepest sympathies on Charlies passing. I can not express how much you and he meant to my Mom and Dad and thank you for your faithful friendship to them.
He will always be in my heart as only a brother could be.
He walks with God now but I'm sure Calvin greeted him at the door with a cold beer.
Rest in eternal peace my friend.*

“ Judy,
I am just now seeing this and I am at a loss for words, Charles was a very kind and polite man and it was obvious he loved you and loved to have you by his side. Every time I saw him, he always had your chair beside him waiting for you at the V. When we go to the VFW It will not be the same with Charles gone. He will be missed by all who had the pleasure of knowing him. I know he is in heaven but his presence will be missed greatly.
