“ I loved you Uncle Elbert and I will miss you. You taught me to dance, and to enjoy walking with a handsome man. I hope you are waiting on me when my time is near. Thank you for always making me feel like "family".

“ Sorry we missed Tommy's funeral. We met Tommy when Carol's Dad was at the MO VA Home in Cape. Had a few nice conversations with Tommy. I know he was disappointed when his eye surgery did not improve his eyesight. Looked forward to family visits. And dancing. Carol had a couple of dances with him. He was a good dancer. He dressed in uniform daily. Probably one of the few that could still fit in his uniform! He was such a delight! Everyone always looked out for Tommy during cafeteria line. We are blessed to have known him in our lifetime!

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ Hey, Sailor boy! I'm happy for you, but I will miss your smile and those flattering words, "Hey, beautiful!" I know you are enjoying a grand reunion with all your loved ones who have gone before you. See you there someday, I hope! You just keep praying that rosary for me, and I'll make it!
