“ Sally, all I can say is your momma was a very dear person. I did not get to spend a lot of time with her, but the short times I was, I felt I had known her forever. She was a beautiful, elegant, and funny lady. I know you will manage thru this, but my prayers and thoughts are with you. Tell the kids I said hey, would love to see you all. Maybe one day. Your friend, Barb

“ Dear Sally and family, I was so sorry to hear about your mom. Tina from work had called me thursday am. to let me know that Chloe wasn't doing well. I had planed to visit on friday after work and they called me and told me that she had passed. I spent over a year taking care of your mom and loved her dearly. She shared so many of her wonderful memories with me and I always enjoyed her stories, your mom had a keen since of humor. Just know that I'm thinking of you. love and prayers kim
