

Christopher Michael Randen

August 7, 2012

Christopher Michael Randen, 35, of Marble Hill, Mo., formerly of Festus, passed away Tuesday August 7, 2012 from injuries sustained in a car accident. He was born December 25th, 1976. His beloved parents are Paul and Janet Randen of Camdenton, MO. He married Laura M. Sander on October 9th, 2010 in Camdenton, Missouri. He described their love as what he had been waiting for his whole life. Survivors include his wife, Laura; his parents Paul and Janet; brother Jonathan (Mary) Randen; daughter Hayley Randen; Stepchildren Landon and Brea Baker, and many friends and family. He was a union electrician employed by Sachs. He served in the United States Navy. Chris was the funniest, most loving man. He loved to fish, ride his motorcycle, and play practical jokes. Above all, he enjoyed spending time with his wife and children. He was taken too young and will be missed by so many. He was loved by a large amount of people and that love carried him until the end. A memorial visitation will be held on Sunday, August 12, 2012 at Ford and Sons Mt. Auburn Funeral Home from 10:00AM to 2:00PM. A graveside service will follow at Cape County Memorial Park in Cape Girardeau, MO. Full military rites will be conducted by the Missouri Honor Guard. In lieu of flowers, donations are requested to the Hayley Randen college fund at The Bank of Missouri, P.O. Box 740, Marble Hill, MO. 63764.

Tribute Wall

BH

“ Jan & Paul, Just heard about Chris today. There is no way we can express how sorry we are for your loss. Being there when you first got him, watching him grow. Our boys also send their condolences. Distance may make it hard for friendships to stay close, but memories make is possible. We love you all, and ask God's love to encircle you with his peace. Jerry & Barb (Chris & Matthew)

“ I didn't know Chris. I work for the electricians union and his death saddens me. I actually found out that Chris is also the brother in law of a long time family friend. I lost my 34 year old brother in March of this year so I know too well the pain of all the family and friends. Please know my thoughts and prayers are with you.

“ I did not know Christopher but reading about him and his family touched me. I am so sorry Laura for your loss. At 2 Corinthians 1:3,4 it says that our Creator is "the God of all comfort" May he help you as you struggle through your grief. Please lean on him as he is the one who can truly comfort you through this time.

“ I will never forget the fishing trip and regret we won't be in the deer woods as planned, but I will be thinking of you brother. You better believe there won't be anybody else that will get away with dropping dirt clots on my head when I'm working in the ditch. Time on earth was too short. You're always in my heart Chris. Next fish caught and bow string pulled, it's for you.

“ Brother - you are missed more than words could ever describe. I know you are hearing us and watching over us (I think you threw that tree limb at me and just missed because I'm "freaky fast"!!) Our time with us was cut way too short but every moment will be cherished forever. We will never forget. We will do everything we can to love and protect your beautiful wife and children like you would want us to. Until we meet again....

Ginny Cook - September 08, 2012 at 12:00 AM

GO

“ We didn't know you as much as we should have or as much as we would have loved to. What we do know is that you were something very special. Your family always said how much they loved you being around, but, most importantly, you were the most amazing thing that ever happened to Laura. You gave her a lot of support and love. We will miss you and hope to see you again someday.

“ Chris and I were 1995 graduates of Festus High School. My thoughts and prayers go to his wife, children, family and friends. May peace be with you.

Vanessa (Ehler) Krieg - September 08, 2012 at 12:00 AM

LK

“ Chris was a friend of mine since we were kids. We were neighbors. His laugh was infectious and he knew how to lighten up a classroom :) His presence is a part of nearly every memory from school. Laughter is such an important element of life that is often taken for granted. Chris knew how to use it! I am sad that he has left this earth. What a blessing it has been to know such an awesome dude! Many blessings to his family and friends.
