“ *I'm sorry that we didn't always get along man. But I'm glad we eventually did. You started to turn your life around and you were tryna live for both of your babies. It sucks that this terrible thing happened to you. Keep a eye on your babies family and friends. Well miss you bro. Fly high chris!*

“ *We were such babies when we thought we had our life planned together, and even though in the end we didnt see eye to eye on anything, I expected to be arguing with you til we were ATLEAST 50. My purpose of meeting you was to have Aidan and I'm so thankful for that. See you later, Christophor. PS, you'd be shocked your obituary has your name spelled correctly, which rarely happened lol.*

“ This young man and myself have butted heads, laughed together, cried together (even tho he didnt admit it) and watched his first born child come into this world together. I am so sorry for the terrible loss of this young man. But I will always remember buying that child.beetlejuice pants for Christmas. Yes this is what he asked for and the entire time I just kept thinking what is wrong with this boy ?? He was just Chris Fuller that is all 😊. Those 2 boys of his have one tough guardian angel now I'm most certainly positive. I'll always love.him. His memory most definitely lives on.

“ I am picturing you laughing, carrying Xander, and asking me where everybody is. You always wanted somebody around. You were such a boisterous and dominating presence. It was hard to not want to strangle you at times. Lol. You were not only everybody's friend. You were their brother. You loved hard and loved to argue. I was only just getting to see the man you were becoming. The whole thing is unreal. You were an amazing cousin and they miss you deeply and want you back playing video games with them. Chris you were a great dad. You stepped up. All you could talk about were your dreams for your little ones. Nothing else mattered to you anymore. Their happiness that's it. Well I know one thing you will be remembered, you will be talked about, and you will be carried on through those two gorgeous boys you created and loved so fiercely. Rest now. See ya later man.

“ That smile. That smile and laugh and the way you'd bounce when's you did so has been ringing through what I'm sure everyone's minds. You turned your life around for that little one and it was amazing watching you grow from a boy to a man so quickly . Chris , you are an amazing man, and the fact I'm able to go back and listen to recordings that you do at my house is amazing . To the Fuller family, you all raised a bright and intelligent man. When somones was down he would and will continue to brighten anyone's day. My heart goes out to all of you . I love you Chris . And nothing but love is being sent on this end.
