“ I’m so grateful to have known Cindy. She had such a contagious love for God and life and was so transparent and honest about her journey. She had such a unique ability to describe great pain and somehow be hilarious in the process. She made those of us around her better - what a great legacy. I will miss her terribly. I’m praying for you, her family. She loved you very much.

“ Bob and Cindy were in Beatrice NE for only 10 mos. when Bob was suddenly transported to heaven. But during that short time Cindy's heart for God and a mission for women was put into full blossom when she wrote the Bible Study & Devotional "Read Through the New Testament in One Year". She then led the study during which our women grew and learned more about what it means to follow Jesus. We felt her love for the Lord and for us and know she felt ours in return! When Bob died, we cried along with her. We were blessed to have known her. Oh yes, and that smile and the compassion she shared! Prayers continue for her family during this sad time of saying goodbye.

“ Cindy attended Lakeside High School in Atlanta, GA. We had fourth period PE in 8th grade together so we lived through our shared adolescence and ugly yellow gym suits. Later in life, we connected via email and Facebook. We shared stories of loss, love and faith. She loved her family and God. I am so sorry she died. She will be missed by all who knew her.

“ *These pics are a couple favorites! Thank you Cher and Holly for keeping me updated - bless your hearts and spirits with sweet memories of your own, to help you and the rest of the family to heal and encourage each other! My heart is heavy for myself - but not for her! I know she is free from pain, and happy with her Savior, and Bob, and other family and friends. I already miss her so much!!! I'm so glad I came to visit when I did - I didn't really expect it to be the last time in this world.*
