“ Mark and Brian, So sorry we could not make it to the funeral. Aunt "Cleo" was very special to me. When my parents were both gone your mom and dad always checked on us and called me at Christmas and on my birthday. I will surely miss those calls. I am so glad that I have all the happy memories of the times we got to spend together. You all are in my prayers.

“ Mrs. Pfautsch was so wonderful and kind to all of us. I went to St. Vincent's years ago and she made the first few years of grade school a much more pleasant experience for all of us. She will be missed.

“ Please accept my family's deepest condolences. I remember Mrs. Pfautsch as a teacher's aid to Sister Margaret at St. Vincent's back in the late sixties. She was, without doubt, one of my favorite teachers in grade school and always had a smile when working with her students. She will be remembered warmly by many!
