MG

“ I have heard so many wonderful stories of the Henson family from Kent. I especially remember stories of hunting in duck blinds and about Curt and Betsy and Dennis's families and of course, Kent's mother, Erna Henson. Even though I know none of you except Kent, you are in my thoughts today as you honor your loved one.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and certainly wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ My sympathy goes to the family. I met Bud in the 80's at the swimming pool. That man could do so many laps, he amazed me. He was such a sweet man and loved to get to know people. We lost touch and I thought about him through the years. He was very sweet.
