“ Please accept my deepest sympathy for I too know the pain of losing a dad. As you cherish the fond memories that you hold dear, may you also find comfort as I have in knowing that our loving heavenly Father Jehovah promises us that very soon he will 'swallow up death forever and wipe the tears from all faces' by means of his son Jesus. (Isaiah 25:8) What a wonderful day that will be!

“ Larry, Susan, Joyce and family: We are all so sorry for your loss. I had every intention of coming to visitation, but I was called away as my dad was hospitalized today in Columbia. I am sorry I wasn't there to lend support but have kept all of you in my prayers. Again I am so sorry, but I knew you would understand. If there is anything else we can do, please let us know and God Bless. Sherry James, I Am A Comfort Keeper

“ What a "great uncle"! I always enjoyed going to Clydes. He always greeted me with a "getcha in the ribs" and a "giant" smile, no matter how often I saw him or where it was, whether at grandma and grandpas (and all the card games), Rays (getting hamburgers for lunch with all the farmers), in the field, or at his own place. He made me feel big and important. Stories that kept me laughing and always wanting more. Hands as rough and scarred as my grandpas. If I hadn't grown up on John Deere, then IH is what it would have been. And that "pipe" and silver odd shaped lighter; that was uncle Clyde! Great memories that will always remind me of where I come from.

“ *Too many memories to list. One great was the stock car we keep at Clyde. He let us drive it on the gravel road and we cleaned out his ditches.*
