“ Mrs. Miller- even though I am in south Texas at the time I still read the SE Missourian. I was very sad to read of Connie's passing. I have many happy memories of Connie from high school. I certainly have prayed for you and the family to find comfort in the Lord and in the great memories you have of her.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe away the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ I am so very sorry to hear about Connie. We were very good friends as small girls. I enjoyed many days running around our old neighborhood with her sisters Carol and Christy. My condolences to her husband and family. I saw Christy in the grocery store about a year ago and had not seen them for 30 years. We had a nice chat and it was like a walk down memory lane. Praying for you all. Sherry Haertling Murphy

“ So sorry to hear of your loss of Connie. I remember high school, working with her if we needed anything at Notre Dame and as long as she could she was always one of the first to sign up for a golf tourney sponsored by ND-she was a dedicated supporter. My thoughts and prayers are with you-her husband, mother, sisters and the rest of her loving family. Another angel for heaven.
