Tribute Wall

“ *There's not a single day that's passed since you've been gone that I don't think about you. Today being the anniversary of your passing it's been an all day walk down memory lane. Aunt Connie I pray that you have found the peace and happiness that you always deserved. And that you know how very thankful I am for you and everything that you've always done to care for me as your own and for always being that one person who was there no matter what. I miss you so very much and I love you to the moon and back and back again! Till we meet again you'll always be on my heart and mind!* ”
