“ *I have fond memories of Connie and Roger and their children when Roger was the pastor at the First Baptist Church of Whitewater back in the late 60's. At that time, they just had Cheryl and Jan, but their family grew quite a bit! Connie was always so kind. She had a ready smile and a friendly greeting every time we met for worship. I was a little older than the girls, but I enjoyed being around them because they were sweet and loving just like their mother. Please accept my sympathy to your family. I will always treasure the memory of the Record family's time at the Whitewater church. God bless you all.*

“*Connie was very special and loved everyone. I treasure one particular memory from our childhood. She came to stay with us for just a short while for medical reasons and was like a big sister to me. We didn't have Barbie Dolls back then but we had Story Book Dolls. My mother gave us scrap materials, rick rack and ribbons so we could make clothes for the dolls. Sitting out in our yard under a shade tree on a summer day with these dolls and fabrics is a loving memory I shall never forget. Connie will be missed very much but how wonderful to know she is with the Lord whom she loved with all of her heart! Cousin...Janice Hutchins Egelston*

Thoughts and prayers for your family. I was amazed on how sharp Connie's mind was the last time I saw her. She expressed compassion for me and my family like always. I wish I could make it to the funeral home to personally express my condolences. Your whole family have meant so much to me over the years.
