“ I was privileged to have had Ms. Harper as my 5th grade teacher at the former Lorimier Elementary School. Her respectful, caring nature undoubtedly had a positive influence on the lives of her many students. I will remember Ms. Harper's love of poetry and her gentle smile. The teaching profession has definitely lost one of the best. My thoughts and prayers are with Ms. Harper's family and friends. Respectfully, Joan Edmundson Howard

“ I am sorry to learn of Ms. Harper's passing. I began teaching in Cape in 1967 at the junior high. She and I served together on various education committees through the Community Teachers Association. It is wonderful to learn that she lived such a long life and influenced so many young people over 62 years as a teacher. Please accept my sympathy and know that she was a special lady who influenced me during my days as a young teacher.
