“ When I was about 6 or 7 Dale and Donnie were in charge of me while Mom and Dad went grocery shopping. I had a ball I was playing with in the living room. We did not have air conditioning and the windows had screens and were open. Donnie kept taking my ball and I was screaming. Dale told Donnie to quit. Of course he didn't. Dale took Donnie and threw him through the window right as Mom and Dad pulled up. We all three got whooped .
