“ Dear Gary and Janie, Roy and I had the pleasure of running into Damon several times the past years. He was happy and pleasant and we always found something to talk about. He remains a favorite among both our sons' friends. Greg (Smith) was on the road and unable to attend the services but he did ask that we give you his love and sympathy. Our hearts are heavy for your loss but so grateful for the memories of Damon. Our condolences, Sande and Roy Meyer

“ My condolences to the Davie family, I have so many memories of playing sports with Damon growing up. From the Cape Mighty Mites, to just riding our bikes to all meet up at Alma Schrader for a corkball or baseball pick up game, to all the little league games, to being teammates at Cape Central, and then to American Legion team together where one of my favorite memories of Damon was the Blytheville, Ark. championship game when the last inning we had the lead and their batter drilled a grounder to Damon at third and he quickly snagged it and threw a strike to me at second and I threw to first to end the game on a double play to win the championship. There are so many more, but beyond that, Damon was liked by everyone, a good friend and teammate, he will be missed. I continue to pray for all the Davie family, till we meet again.

“ *Uncle Gary, Aunt Jane words cannot express how sorry we are for your loss. Damon was a great soul, an amazing cousin. All I remember about Damon is his kind, reserved, selfless spirit. He was always pleasant to be around. Growing up I remember all the good times spent with him when I had the opportunity to be in his company. He is truly missed and I am both shocked and saddened by his passing. I love you all and I will be praying for you while you wait here to be reunited with him in glory. Damon, I love you cousin and I miss you. You are no longer in pain. Until we meet again my friend!*
