“ Danny was one of the first people I met when I moved to Homestead. Can't even count all the hours he, Bogie and Tom Davis spent at our house.....and what fun times they were. He used to let me drive his old car and the funny thing was, my car key would start his car but his wouldn't start mine. We certainly had alot of laughs and I'm sorry to hear of his passing....now he can be in heaven making everyone there laugh, too.
