He used to come in Save-A-Lot and would yell my name from the moment he walked in the front door all the way down the produce aisle. I can still hear his voice today....

“ *Scott and family,  
I am shocked and sorry to hear of your loss of David  
He was a special guy. He always had a big hug for me whenever he  
saw me.  
David is one of s few students I worked with two separate times. I  
have special memories of Dave.  
May God help and comfort you during this difficult time. You are in  
my prayers.*
