“ *Dear Family, please accept my deepest sympathies in this sad hour. David, was a great guy. Always had a smile on his face, loved to visit and drink coffee.*

We all, at the plant shared a lot of good times together. We became an extended family, as strange as this may sound. You soon learn the person's personality, and yes some of the family members too. I know he became a Christian man while working there, which i was most happy for.

*May God Bless you, the family and friends
As we go forward in life. I will miss nervous
For the person he became.*
