“ I have known Indian most of my career. He has been a true friend of mine and other law enforcement officers for over 25 years. He was always there when you needed help in anyway. Indian was a passionate man with a heart of gold. You will be missed my brother.

“ David, “Indian” was quite a guy. I had an awesome time playing for the Misfits and that was because of Dave. There were so many stories and laughs to be had when you were around Indian. I can still recall so many stories and they make me laugh to this day. Rest In Peace. My thoughts and prayers are with you, Dynamite and family.
