“ I got to know David as a kid , he lived a couple of houses down the street for me . He was always tinkering on his cars . He was always willing to show me and include me his projects . He gave me one of the best gifts of my life . I still play with car as a hobby . David was ten plus years older than me , but he never treated me like a kid .WHAT AN AWESOME FRIEND ! Thank you David !

“ *Really sorry to hear about David's passing. I am a cousin of David and have fond memories of him from our childhood through teenage years. He, his brother Danny and I had great times together. He was quite the storyteller and was infatuated with his VW van :-). I remember his love of music (we went and saw REO Speedwagon at SIU back in the day), and he particularly loved the band Poco. I hope the celebration of his life brings the family comfort, and may he rest in peace. So sorry to have missed him in these recent years.*
