“ *Debbie was an amazing person. She was our financial auditor who we could always count on....but more than that, she was a very caring person who cared about me as a person. You know she was a talker and knew everyone. When I spoke with her on Friday, she asked how I was doing. That's just the kind of person she was. SHE WILL BE DEEPLY missed. Colton, she loved you and the boys with her whole heart!
God bless you all.*
