“ *Wendell and Family - please accept my sympathy on the passing of Dee Dee. I got acquainted with her through Data Business, I was office manager at Physician Associates and purchased copiers and supplies from her for a long time. She was always a joy to work with, so pleasant and friendly. After she started working at Kohls, I ran into her many times, she always took the time to talk and catch up. She was truly an inspiration, and I feel so blessed to have known her.*

Again, please accept my condolences. Barb Farrar

“ *Windall, you have my deepest condolences. I really enjoyed working with Dee Dee and yourself back in the day at Burger Chef. There are more great memories and stories than there are minutes in the day, and working with you both was just one of the exceptional ones. Take care, Daryn Brooks.*
