“ Dear Becky and Mrs Crowell: I was sorry to hear of Mr Crowell's passing. I always remember him as an extremely gracious man. He was so intelligent - yet humble. And always made me feel welcome in your home. I hope you find some comfort knowing he touched many people's lives - and is no longer suffering from his illness. My prayers are with you and your family. Reen

“ I worked with Del here at the City Engineering Office for more than 12 years. He was one of the best guys I ever worked with! When he would start with the World War II bombing runs from England to Germany, get ready..... it was like living history first hand!!! It was a pleasure to work with him here at the City of Cape Engineering and I will miss him. Tom Wiesner
