“ I would have loved to have thanked her for raising a wonderful son (Stephen West) who was taught such wonderful morals and shows so much love to those he meets. Joyce and Steve have instilled those lessons upon 5 wonderful children of whom my children have been blessed to grow up knowing. The friendships that my husband and I have with Steve and Joyce is wonderful and spans over the past couple of decades with ups and downs never faltering. May God Bless them and all of Delia's family at this time and wrap them in his loving arms for comfort.
