“ *Delores was such a sweet woman, she was always very kind to me. I still have letters I've saved that she wrote to me over the years. She was a wonderful person and shall be missed!* ”

“ *I remember Delores and Lloyd from Foursquare Gospel Church. Lloyd would play guitar along with Gerald Kaempfer. They moved to the other church and I lost touch with them; but my Dad, Jim McDowell (Mac) they always called him would go there, too. Gerald and Lillian lived next door to my Dad - they traveled together - camp meetings in south Cape, etc. I am sure Delores is rejoicing with the gang in heaven right now. Oh, how they loved to sing and play. (and preach). Family know they are rejoicing together. My husband went to glory Jan. 14 this year. What rejoicing they must all be doing. Let God comfort you with that thought. I can almost see them!!!!* ”
