“ *To My Dear Mother, Words can not express how much I will miss you. I will miss all of our talks on the phone, sometimes crying together but mostly I will miss all the silly things we would laugh about, about the old days and about the recent. I will miss so much our talks about our TV programs we liked to watch, like Survivor. I have always loved you Mom! I will always love you! You will always be in my heart. I will always keep you in my prayers and you keep praying for me too, as I know you will. So many of your prayers have already been answered. Thank You Mom. I miss you and I love you Mom. One day we will be together again.*
