“ *I always enjoyed working with Pat he was always upbeat funny and a pleasure to work with him being the engineer. I felt confident in his abilities to operate and be vigilant with the rules compliance ect. I was always glad when I saw him coming down to fill in a vacancy on the job I was working. “ *My earliest memory of Pat was when he and a friend came to Commerce to see his brother Dick. Pat and his friend and some of us Commerce kids would all go up to graveyard hill and slid down that curvy hill on inner tubes on the snowy road. Great memories. He was a lot of fun. Rest In Peace Pat. Enjoy Heaven.
