“ *Dennis was my manager for 10+years that I worked in customer service. He would lick his finger and rub them together in my ear making a screeching/vibrating sound that annoyed the heck out of me and called me "Buzzard". 🤪 He enjoyed life and all who knew him loved him! Rest in peace, Dennis!*

“ To Kathy and family: I hope you find some comfort in how much Dennis was appreciated by so many. Kathy, you and Dennis never missed an opportunity to greet others in a genuine and respectful way. As hard as it is was for him to leave you, his place in heaven has to be glorious given the wonderful servant life he lived.

“ Dennis was more of a "townie" than most people that have lived here their entire life. He will be missed but his legacy to "do a little more" and "pay it forward" will continue in his absence. His contributions and legacy will continue to live in Cape Girardeau and Jackson.

My thoughts and prayers are with the Marchi family at this time. I pray for peace, understanding, and a sense of calm that can now comfort each of you knowing that God has relieved Dennis of his mortal chains and replaced them with wings. Dennis touched so many lives both directly and indirectly. To that end, we are so blessed that he chose to make a positive difference in everything that he endeavored. The entire area is a better place, in part, due to his efforts, compassion, and willingness to do God's will.
