“ Dennis and I had been great friends over the past several years. I would find myself needing a laugh or a smile and there was my good pal Dennis aka DT. Last spring Dennis and I went up to St. Gen to play golf together and even though we both did not play well at all at the end of the round it was nice sharing a laugh and a memory with a great friend. I will miss you very much ole buddy ole pal and i know you are smiling down at myself, Joe, Kimo, Lonnie, and all the rest of the gang at West Park Lanes with that million dollar smile and laugh and grin. I can't believe you are gone, but I will never forget all the good times we had and will have when we all see each other again.

Rest in Peace my good friend and I love you so much and I am glad that I had the privilege of calling you my best friend.

*Love always and forever

“ *Dennis & Patty were fine young people & grew into a great family unit as so many couples do. At their onset to their beginning together they rented an apartment above our meat market possibly in the very late '60's or early '70's. Patty always had a smile a mile wide & Dennis towered over her or anyone else who was around, because of his height. I remember having quite a few conversations with them while they were living upstairs of the Burnette's Meat Mkt. Dennis will be missed by many, including the community as one who took his job of floorworks & coverings seriously. May God surround the family with grace & much love as they try to work through the transition of parting with a very special loved one.*

Sincerely, Larry & Harryette Miller Burnette
