“ Ron, Mark and I are so shocked and sorry to hear about Diane. She had such a warm and spunky personality, I always enjoyed talking to her, usually about how to take care of things on your behalf! She was a blessing from Heaven for you and your children and will be deeply missed.

“ Ron, Ronnie and Stephanie, How saddened our family is about the loss of your dear wife and mother. She was a wonderful, sweet little lady and always had a kind word to our family while we were neighbors. We are happy you all could be closer together in St Louis these past 2 years. Diane was verry proud of her family and loved baby Kate so much. Remember all the wonderful times together and joy you shared. We are sorry to miss the visitation service because we are travelling out of state today. Bless you all. Let God help you in your time of sorrow. We will pray for your peace, Mary,Craig, Andy and Allie.

“*Ronnie: I got the surprise of my life when I opened up the paper. I did not know that your mom & dad had moved. I know that I had missed seeing her at Walmart, but did not think to much about it. My heart is with you, your dad and sister. I will always see that smiling face and that gruff voice asking me about "a house". Good luck to all of you & keep in touch. Boy that little granddaughter will miss knowing a fantastic GRANDMA. Our thoughts and prayers are with you. God Bless.*

“*Ron, You have my deepest sympathy. You were always very helpful to me when you were at TGMO, and also when Terry and I came to TGUK. I only met your wife once, when I dropped of a turkey you bought from me for my brother-in-laws benefit. She seemed very nice and full of life. You and your family will be in my prayers. “*Ron I am very saddened for you in the loss of your beloved Diane. When I made the scrap book for you several years ago, you allowed me to see many of your pictures with Diane that displayed your deep love for her. I enjoyed knowing Diane through the many projects we shared together helping to take care of you. Remember the watch project when you were going to England? Please know that my thoughts are with you and your family during this sorrowful time. Your friend Marlene*

“ Hi Ron, its your ole buddy, Angie. I was just thinking of you the other day, wondering how you both were doing. Today I hear the sad news of your Diane. I am so sorry for your loss. I miss you, friend and am planning to see you at the visitation this Thursday. I haven't seen you since our lunch on your last day at TG, but I think of you often, especially during this difficult time in your life. Your wife was a kind, classy lady that kept you in line, right? I hope that you can find peace and know that she will watch over you now. Keep the faith :)

I know that she had a hard time keeping you in line but she loved the challenge and was darn good at it. She will be missed deeply by all of us that knew her and loved her. Love, Joy
