“ *Dillion, you were an awesome guy and you are missed by so many. I remember our days when we worked at Dollar General together. You were a great co-worker and an even greater friend. I will always remember the time you took over for me on the register when a customer threatened me because their check was declined. You even made sure I made it safely to my car that night because they said they would be waiting on us outside. That's just the kind of person you were, always cracking jokes to make us feel better, you always knew how to make us laugh at the store. I will miss you buddy, fly high Dillion, rest in God's peace and love. Until we meet again.*

“ Dear Viola and the entire Diebold Family,
My heart aches for you because I know the pain of loosing a son.
There are no words that can lesson your pain. My Zach was a donor too. We have found pride and a sense of legacy for him by his selfless final act of donation. My wish is that each of you find peace because by being a donor, Dillon is now forever a HERO too. Know you all are in my thoughts and prayers. Love, Kathy Kreitler

“ Hey Buddy,
When we last texted each other on your Birthday.
I told you that I remember the day that you were born and always
would.
I told you I loved you and missed you.
You replied to me “Love You Too Dad” And we’ll get together soon.
I never thought it would be the last time I would ever correspond
with you.
I miss you more than ever now and my heart weeps in my chest
from the pain of knowing.
That I won’t get the hugs the smiles or “Love You Too Dad” from
your firm hug and smiling face.
I loved you from the first time I held you in my arms and will always
carry you within my soul.
I tell you that I love you not to say the words, but tell you. I LOVE
YOU.. Because I DO.
My son you will never be forgotten and loved more than anyone
could imagine.
Dad

“ Dillion i enjoyed many laugh and your beautiful eyes that always sparkled even when you were pouting. You had the most child like grin that look like a kid up to something. We loved to agree to disagree with each other. I enjoyed the times we shared at family gatherings. You had the best manners always asking me if i was ok. We ve laughed at how particular you were about your food and wouldnt try any new dishes no matter how much i begged and ask you just try it. You will always be in our hearts and memory. Fly HIGH. And always know i ll take good care of your buddy. Mav. I can hear your voice saying HI BUDDY when you called to talk to him. He loved you more than you ever knew. Rest in peace till we meet again. “ Gonna miss you man! You have been an awesome best friend! From Kelso C-7 days to forever. I am so glad to have known you, and to have called you a brother. On another note, I am humbled and blessed to have had the opportunity to talk with you about Christ, which led to you accepting Him into your heart. And I am extremely happy that the last memory we have together in person, was getting the opportunity to spend a day in worship together, and then afterwards, baptizing you. You will forever be missed and loved. You had a heart of gold. Gonna miss your funny snapchat's and deep conversations about life. Until we meet again, save a place for me, I'll be there soon. I love you bro! -Donnie

“ *I have never met my cousin Dillon yet there is a feeling of love, compassion, and prayerfulness since his death. I asked for prayers from friends (who didn't know him) and cousins (who hadn't had the pleasure of meeting him). But you would never had known it! The prayerful response was overwhelming yet very peaceful and loving and each one of them wanted to know Dillon's name. Many of us said "The Chaplet of Divine Mercy" a favorite prayer to our God for mercy for a loved one who has died. Now I am praying for peace and comfort for all of you who love 💕 and miss him. From my heart to yours, 💕. Claudia Reis*
