“ Dearest Francis and Joann, We just found out about Dottie and I can't tell you how this has touched our family. I'm so sorry about what you all have been through. We noticed that Pauline was listed as deseased as well. We are sorry that we got the news late. We would have been there had we known. Please call on us if you need someone to talk to. The years have passed so fast but we can't help but remember when we were kids at Randles together. We made many wonderful memmories there.

“ Dearest Rhonda and Family; I was very saddened to hear of the loss of your Mother. She and I were classmates at Delta High. She was always funny and outgoing! We shared lots of laughs and good times in school and at home. In recent years I've looked for her at the reunions but things in life just seemed to prevent her from attending. I have always considered your Mother and Aunt Frances to be among my friends through out the years. Please give my sincerest condolences to each of your family. I will keep each of you in my prayers during these sad times. May God be with you. Your friend always, Lois (Janie) McAtee

“ Rhonda, Sorry to hear of your loss. I only talked with your mother a few times but it was always enjoyable. She was a very attractive woman and I'm sorry that she had to leave you at such a young age. Take care and God bless. Todd
