“ Great Grandma Dixie always had the Cadbury eggs for us at Easter. And when we were kids and would come visit she would always have a big bag full of McDonald's toys for us. I wonder how many happy meals she ate to get us all of those toys!! RIP Great Grandma Dixie you will be missed.

“*Dixie was a great lady. She was very good to me and Juavata. I have thought of her with love many times over the years. I should have tracked her down and visited her but that is one of those things that you think about and never do. My thoughts and prayers are with all of you.*
