“ Ms. Payne lived a life well lived. Her faith in God saw her through. I am fortunate to have met her and learned from her. I will miss my visits with Ms. Payne. May God bless her family, she loved you so.

“ Dee and Germain were sisters and best friends throughout life, had rooms across from each other at the Lutheran Home. stayed close through life.

As a child I spent many a days growing up with Kenny and Doug since we were within a year of each other. Dee was always there if we needed anything.

She became the Scherer family historian, spending many hours researching the family tree. I don't think there was anyone that met her that didn't have something good to say about her. She will be greatly missed and always in remember. LOVE YOU AUNT DEE

“ Aunt Dee, you were always a cool Aunt and fun to be around because you always spoke your mind, a very straightforward person. You were also a great comfort to my Mom. You will be missed! Love you!❤️

“ A great lady, wonderful aunt, and good friend to my mother, Germaine Lynch. They were sisters by birth but friends by choice. Aunt Dee always had her own take on life. Rest in peace.
