“ *Delores (Mrs. Rasche as I knew her) was cheerful and always full of stories. Even at 81 when I had the opportunity to visit with her and Robyn at a neighbors birthday party, she talked to my husband and I like we had not been gone from the neighborhood in tha last 23 years - friendly and full of life. i am so glad I got to see her again.*

Always a joyful laugh, a can do attitude, and roses... beautiful roses in her yard. Sweet memories will linger in my heart.

“ So sad to hear of Dolores' passing. I hope it was peaceful. Dolores was such a great mentor to me. As a first-time, part-time, after-school office worker, a lot my skills, accuracy and attention to detail are due to Dolores' diligent instruction and scrutiny. I credit Dolores for that after almost 30 years. Thank you, Dolores, and God bless you.
