“ So sorry for your loss! I will always remember Don. He was one of a kind . Such a kind & caring man who grew to be a friend to me & my family. I met him back in 1993 when I was 18 yrs old. He was working at Honda Weiser and sold me my 1st car. He didn't just sell me a car he taught me how to drive it. It was a stick shift and I had never drive one before. I will never forget that afternoon spent with him , neither did he as he told the story many times:) I will never forget the kindness he showed me. Not many people will go out of their way like that. Rest in peace !
