“ *Please accept my sincere condolences. I did not know Ms. Martin personally, but I do know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all 'faces.' (Isaiah 25:8) What a wonderful day that will be!*

“ *Dear Shirley and family, I have such fond memories of Donna. She was such a good person, mother, grandmother and sister. With all of her health problems she still had a very positive attitude about life and about her God. She loved to have Shirley drive her around and sometimes they stopped to see me and I really enjoyed those times. She will be sorely missed. Memories are precious, keep them close to your heart.
