

## Donna J Tarr

September 13, 1942 - September 20, 2022

Donna Jean (Rudluff) Tarr 80 years of age died on September 20, 2022. A loving mother of three children she was faithful and dedicated to her children to the very end.

Donna was born in Southern Illinois in September of 1942 according to her birth certificate, but her dad always told her that was not correct she was born a year later and she always reminded us of that when her birthday came around. So maybe she was 79, only the Lord knows for sure. When people asked her about her big 80 birthday, she would say jokingly, "That's expired". She also called herself (The Warden), due to always being the main person family members and others came to when they had major decisions, questions or family matters.

Donna married John Tarr of Cape Girardeau, Missouri in 1962. They went on to have three children, who had seven grandchildren, who had ten great grandchildren. She loved all her children very much and was always concerned about the well being of others. During the last 24 years, she has dedicated the vast majority of her time to her youngest daughter who has MS and has been under her everyday care up until just a week ago when she could no longer bear the load. We stand in awe of her love!

Mom came from a large family of nine brothers and sisters of whom all have

preceded her in death with the exception of one brother whom we affectionately call, (Uncle Hooter).

Survivors include her three children; Paul Tarr of Shreveport, LA, Tiffany St. Cin of Jackson, Mo. and Kabrea Tarr of Cape Girardeau, Mo. ; her brother Hubert Rudluff of McClure, Illinois, six grandchildren, ten great grandchildren, and numerous nieces and nephews. She was preceded in death by her husband John Tarr, a grandson Nathan Tarr, her parents Leo and Hazel Rudluff, and seven siblings.

Graveside Service will be Friday, September 23, 2022 at 2:00 pm at Cape County Memorial Park Cremation Garden.
