“ My condolences to all of the Ashley family; especially, my dear friend Vince. I have fond memories of your mother and some of the best recipes! She was generous, fun to be around, and just a beautiful lady. The sadness is heavy but walking back through the good times brings me joy. Sharon Chase

“ Dear Ashley & family, We were so sorry to hear of your Mom's passing. I'll never forget when she taught us to slalom ski at Ky Lake and driving her Cadillac convertible to the lake. I was so scared driving that big car over the Cape bridge, but she knew I could do it. She really showed us alot of good times at the lake. I know she will be missed. Love, Cathy & Skip
