“ Dorothy was a kind mentor when I worked during college with her at Hartfords (1986). I envied her beautiful skin and and she rocked the snowy white hair. She has always been a fond memory.

“ Rick and Larry,
We're sending our sympathy to both of you and your families. Your mom was such a wonderful lady and a great friend to the Esicar family. I would always bring her vanilla from our trips to Mexico and she would bake something delicious with it for us!
I know your many cherished memories will bring you peace in the days ahead.
Love, Blake and Janet Esicar

“ I lived down the street from Dottie for 10 years. She was a special person who I cared for greatly. I already had her birthday card picked out for May of this year. Molly, her little dog, and Sugar, mine, loved to play together. Sugar and I used to walk up to see her when I lived down the street, I have since sold my home on Marilyn and didn't see her quite as much, but I still drove over every couple of months to see her. Even last week I thought of dropping by, but due to the weather didn't make which I hate now. Please know you have my sincere sympathy and if the streets clear I'll be at the funeral.💔

“ Rick and Larry, so so sorry to hear of your Mothers passing . She was a dear friend, although we only saw each other at Food Giant or waved at a stop light. We bonded through you all and our kids and we have so many fun memories of watching you all grow up to be the men and women you are. Love you both and praying for you and your families 💔 Bob & Jane
