“ Dear family, especially Liz,
I first met your sweet mama at Lunch bunch when I would bring Marie Howell, as Her caregiver when she was in AL at chateau . Dorothy was so upbeat and fun! Later, she asked me to take her to Dr appt, hairdresser and help around her apt. We became good friends, sharing lots of laughs. We had so much in common, (including my last name was Hahn) despite our age difference. She was easy to please, and happy even when she wasn't feeling well. I continued sending her homemade cards after I quit being her caregiver (due to chateau). She'd respond in kind. I miss her and know she's so full of joy and pain free now. My sincere condolences to you all on missing Dorothy
